

VPRO Skills EduTech

Become an AI Engineer in 90 Days

Generative AI · Agentic AI · RAG · MCP — Live, Mentor-Led Training

Master Python, Machine Learning, Deep Learning, Generative AI, RAG, MCP and AI Agents through live classes, real-world projects and placement support — taught inside our own student learning app.

17+	5000+	100+	95%
Years Experience	Students Trained	Projects Guided	Success Rate

Complete AI Engineer Roadmap

Module 1 — Python Fundamentals

Variables & Data Types • Functions • Loops • OOP Concepts • File Handling

Module 2 — Machine Learning

Regression • Classification • Clustering • Model Evaluation • Scikit-Learn

Module 3 — Deep Learning

Neural Networks • TensorFlow • Keras • CNN • Transfer Learning

Module 4 — Generative AI

LLMs • Prompt Engineering • ChatGPT APIs • LangChain • Fine-Tuning

Module 5 — Agentic AI

AI Agents • CrewAI • AutoGen • Task Automation • Multi-Agent Systems

Module 6 — RAG + MCP

Vector Databases • Pinecone • Retrieval Systems • MCP • Enterprise AI

Real-World Projects You'll Build

- AI Resume Analyzer — Analyze resumes using Generative AI and ATS scoring
- AI Chatbot — Build ChatGPT-like intelligent assistants
- RAG Knowledge Bot — Chat with PDFs, documents and databases

- AI Voice Assistant — Speech-to-text and text-to-speech AI
- Agentic AI System — Multi-step AI agents using CrewAI
- Multi-Agent Automation — Multiple AI agents working together
- MCP Integration — Connect AI to external tools & APIs
- Cloud AI Deployment — Deploy AI apps on AWS & cloud

Meet Your Mentor

Sambasiva Rao

Software Architect · AI Educator · Technology Mentor

With 17+ years of experience in software development, cloud technologies, artificial intelligence and enterprise solutions, Sambasiva Rao has trained thousands of students and professionals across India — and personally built and architects VPRO Skills' own student learning platform.

Why VPRO Skills

- Live Mentor-Led Classes — real-time teaching, not pre-recorded videos alone
- Real-World Projects — portfolio-ready projects you can show recruiters
- Dedicated Student App — track your batches, videos and progress in our own LMS
- Session Recordings — revisit any class inside the app whenever you need to
- Placement Support — resume, interview prep and guidance as you apply
- Certification — a certificate of completion to add to your profile

Upcoming Batches

Batch	Mode	Timing	Status
Weekday Batch	Live Online	Mon–Fri, Evening	Enrolling Now
Weekend Batch	Live Online	Sat–Sun, Morning	Enrolling Now
Corporate / 1:1	Online	Flexible	On Request

New batches are announced regularly — message us on WhatsApp to confirm the next start date.
